PONAZURIL

(BRAND NAME: Marquis, Ponalrestat)

STRENGTH: Comes as an oral paste for horses.
Small animal doses must be reformulated by a compounding pharmacy.

ROUTE OF ADMINISTRATION: ORAL
May be given with or without food.

ACTION OF MEDICATION: Kills Coccidia parasitic organisms.

MOST COMMON SIDE EFFECTS REPORTED: No side effects commonly reported.

SEVERE SIDE EFFECTS REPORTED: Can interfere with tear production in some dogs, usually breeds predisposed to tear production issues.

STORAGE: Compounded liquid should be refrigerated

IF YOU MISS A DOSE: If you skip a dose, the course of treatment may not be effective. Do not double up on the next dose, however; simply pick up with the next dose as scheduled. If desired results are not achieved after protocol involving a missed dose, it is possible that the entire course may have to be repeated.

OTHER INFORMATION: If your pet is being treated for coccidia, be sure to clean any fecal contaminated areas thoroughly to prevent future infections
